Mr. Tom Rosenfeld  
President & Chief Executive Officer  
CanAm Enterprises, LP  
88 Pine Street - Suite 2010  
New York, NY 10005

Dear Mr. Rosenfeld:

PKF O'Connor Davies, LLP (PKF) has been retained by CanAm Enterprises, LP (the "Company") to assist in verifying the existence, completeness and accuracy of documentation for the Company's investors. Specifically, we verified subscribed investors who have had their I-526 or I-526E petition approved or have subsequently had their I-829 petitions approved (the "Immigration Cycle"). We also verified investors who were subsequently repaid their investment capital or who consented to redeploy their investment capital (the "Repayment/Redeployment Cycle"), as well as verified the disclosure of success rates for the investors in the Immigration Cycle and the Repayment/Redeployment Cycle as of December 31, 2023.

The engagement included investors in seven (7) of the Company's Regional Centers:

- 1) CanAm Pennsylvania Regional Center ("CAPenn");
- 2) CanAm New York Metropolitan Regional Center ("NYMRC");
- 3) CanAm Philadelphia PIDC Regional Center ("PIDCA");
- 4) CanAm California Regional Center ("CACRC");
- 5) CanAm Florida Regional Center ("CAFRC");
- 6) CanAm Hawaii Regional Center ("CAHRC"); and
- 7) CanAm Texas Regional Center ("CATRC").

Our approach encompassed testing the Company's procedures for each investor, in accordance with attestation standards established by the American Institute of Certified Public Accountants. The attached Appendix details the specific procedures that were planned before the commencement of our engagement and we have subsequently performed.

The objectives of our engagement were to verify:

- the success rates for I-526 or I-526E Petitions and I-829 Petitions filed by the Company's EB-5 investors;
- that the contributed capital was returned in full to each EB-5 Investor eligible to receive such a repayment; and
- that the Company is in the process of redeploying EB-5 capital for each investor not eligible to receive a capital repayment because they had not met their 2-year sustainment period, in order to meet EB-5 Program requirements for obtaining their unconditional green cards.
